ANNUAL DUES

\$200 per year for Regular members, 'Junior' members pay \$50 per year. The CMPRA definition of Junior corresponds to MAAC's definition which is 'until 18 years of age'. After 18 years of age, a Junior member will revert to a Regular member. **Annual membership dues are payable on or before June 30 of each year.**

All CMPRA members must have a valid MAAC membership (Model Aeronautics Association of Canada) for insurance purposes prior to engaging in any flying activities. It is the responsibility of each member to obtain MAAC membership and maintain himself as a member in good standing.

AGREEMENT TO HELP

As a member of the CMPRA, I agree to assist in the organization, administration, or officiating of one pylon racing contest each year. Failure to support the clubs activities will be cause for denial of renewing membership so that others willing to help can join.
